

- 1: The main trip page will have a "Friends" section showing who has been added to the trip and a "plus sign" that the user can tap to bring up the "Add Friends" screen. User selects the "plus sign" which will be a button that will open the next screen.
- 2: After the user taps on the "plus sign" on the first screen, the "Add Friends" screen is displayed.
- 3: A check mark indicates that the "friend" has been selected
- 4: A "plus sign" indicates that this friend is still unselected.
- 5: When the user selects the "plus sign" shown on Screen 2, a drop-down menu pops out that allows the user to assign privileges to the friend they are adding.
- 6: Once the user has selected all the friends they want to add and assigned privileges, they can tap "ADD FRIENDS TO TRIP" to send out invites to those people to be added onto this particular trip.
